Participation number : 13 teams /13 karts

### **Participant**

Friends Gold club members or those whom Friends accepted.

Participation capacity : 52 people (four one team)

Participation accepting period : From a month before to 3 days before the actual race day except for a tentative reservation (finished as soon as it become capacity)

Entrance fee: 10,500 yen /1 person.

### **Observance matter of a participant**

During the race you must obey the official instructions.

All participants who are not a driver must be involved in a race positively, too.

You must take responsibility for an action of all the members including attendant guests not to mention yourself.

### **Acceptance / Kart selection by lottery**

The participants that Friends already accepted his / her application shall have a participation acceptance in a course on the race day.

A team representative draws lots before an official practice and decides a kart to use.

### **Official practice**

Participant performs an official practice. A pit-out shall prove that you take part in the official practice session.

### **Time trial**

One representative driver of the team shall perform it by one lap of measurement.

### **Final race**

The result of the time trial decides the starting grid position.

### **Starting format**

“Le Mans start” of all the participants.

To the start/ final line, the Kart with starting driver and engine-starter mechanic shall get ready in right hand side, in the left hand side the runner shall get ready. The race official decides where team supporters and the runner should stay.

**Pit in**

Every time a driver who finished his/her running stint in the final race must carry out only one work chosen from five kinds followings at random in the kart inspection area.

( The card shall be used which is displayed of nothing on the other side. )

*\*A pit stop : An engine shutdown. Do it more than three times for 0 to 20 second.*

*\*A flag : Answer in a meaning of a flag taken out during a race.*

*\*A mechanical trouble : Simple repairing work which is equivalent to the one in case of some machine troubles (by a displayed card)*

*\*Refueling : The staff performs this in gasoline refueling pit area. When there is a car filling up with gas it earlier, you must wait in the rear.*

*\*Driver refueling : Take the rest time of 10 minutes. When a machine trouble occurred, you can use this.*

**Bonus**

Friends can give following contents to an extremely slow team for some reason when an official practice is over.

*\*Substitution for a waiting SPL driver*

*\*Reducing the number of the pit stops.*

**Stint time**

Running time must not exceed 30 minutes. As for the Lady's, less than 10 minutes is desirable.

**Handicaps**

Friends can decide if 5-40 seconds must be added in pit stops depending on the ability of a driver (five seconds classifications).

**Penalty**

The drivers must take the penalty if the violation activities are done by him/her, such as pulling over / block / pylon touch / pit road speeding.

**Award**

To be determined by the final race result. There is no series point.

The champagne shower would be done by a prizewinner to 1<sup>st</sup>-3<sup>rd</sup> place.
